The University of Washington is one of the world's preeminent public universities. Ranked number 10 in the world in Shanghai Jiao Tong University rankings, our students and faculty are known for their excellence.

Situated in the beautiful Pacific Northwest with views of mountains and water, Seattle's mild climate makes it an ideal place to spend your summer. Well-known for its high-tech industries, Seattle is also home to famous companies such as Microsoft, Boeing, Amazon and Starbucks.

In the **Seattle Summer Seminar** held at the School of Law, students from top universities in Japan, China, Taiwan, and other countries get together and interact with US students, explore the region and participate in courses on law, society, science and technology, and at the same time add to their English language skills.

EXPERIENCE OFFERED

- ◇ Instruction by qualified University of Washington professors, followed by group discussions
- ◇ 2 full-day tours of local businesses or places of interest, such as Boeing, Microsoft, Gates Foundation
